

1828 – Mrs Jane Penelope Atkinson

What we see in this image

This front facing $\frac{1}{2}$ length miniature portrait shows the young Mrs Atkinson (1807-1854) at about 21 years of age. She wears a rather informal style of dress which is an unusual choice for a portrait.

Her dark blue day dress (perhaps a type of riding habit) has a plain high-necked bodice fitted with a wide, contrasting turn-back collar of cream fabric bordered with a narrow red stripe and tied in a soft bow at the neck like a scarf above long, full sleeves making it a practical and comfortable garment for more active pursuits. Her dark curly hair falls in ringlets around her face, either side of a centre part and below a ring of plaited hair supporting a [tortoiseshell] comb in the shape of a crown. She also carries a gold watch and fob, linked by a heavy gold chain, across the front of her gown at the natural waistline.
